

# OUR VALUE FOR THIS HALF TERM IS Self-Responsibility

**Definition:** Self-responsibility is about taking responsibility for our actions and learning.

## Starks Field—judged **GOOD** by Ofsted in all areas in latest report

Dear Parents and Carers,

I wanted to explain a little more about the school's legal duty of care in regard to safeguarding. We **must** report any concerns, including any injuries or marks that can't be explained, unusual behaviour, physical punishment that is not reasonable or not appropriate (including anything to the face or head or using any object or implement) and/or worrying things said by or about the child.

Any member of staff who has a concern will talk to one of the Designated Safeguarding Leads (Ms Neocleous, Mr Shewring and me) and we may call children's social care services for advice. We may be asked to make a referral in writing. Where possible we will contact parents/carers about this, although there may be occasions where we are advised not to—usually where social services think this may cause more harm for the child or put them in danger.

After the referral is made social services will find out more information from the family, the child and other services. We know that referrals can be upsetting for families but please remember that we are not accusing anyone of anything. Referrals will often be false alarms, but we have to put the needs of children first and we can't take any risks with their safety or welfare, even if this means upsetting adults.

This duty of care and safeguarding procedure is the same in all schools across the country and is in our Safeguarding Policy. If you would like to discuss this in more detail, please come in at any time.

Measles has been in the news for some time now and mumps has also been seen in Enfield. Scarlet fever is also on the rise—there has been an increase in the number of cases in the community, sometimes coupled with cases of chickenpox, flu and other viral illnesses. Please ensure that your child is vaccinated for measles—see the list below for child clinics:

Baytree House—27th January and 15th February (9am-3pm)

Ordnance Unity for Health—12th February (9am-3pm)

Evergreen Surgery—4th February (9am-3pm)

Enfield Island Surgery—14th February (9am-3pm)

As this newsletter is being written we are getting ready for our Movie Night. Your response has been amazing—we have had nearly 75% of children in the school buy tickets. Two weeks today, as the next newsletter will be going to press, we will be preparing for the disco for KS1 and KS2—tickets go on sale on Monday. Tickets cost £2 and will include a drink and a snack. All profits raised from the two events will be donated to the family of Angel Nachev, our former pupil who died in 2020.

We are also busy planning events for next half term, including World Book Day, Parent/Carer Consultation Meetings and our ever-popular Spanish Day—watch this space for more information.

Kind regards,

Melissa Davies Oliveck, Head Teacher
